

Conservation Field Day

October 4, 2018

What:

Field day on farm
conservation practices

Where:

The Leonard Farm
6461 County Line Road
Blanchardville, WI
53516

When:

Thursday, October 4th
9AM-11:30AM

Come spend the morning learning about conservation practices that could work on your farm! This event is **Free** and will highlight **rotational grazing, cover crops and designing cattle paths and field roads**. Coffee and light refreshments will be provided.

This event is a part of the larger **Lafayette County RCPP project** helping to build a network of people working to reduce the loss of soil and nutrients from farmland within the county's two Agricultural Enterprise Areas.

Please **RSVP** to
